

# **BHAGYASHRI** ENGINEERING

*Shaping ideas* 

## ABOUT US

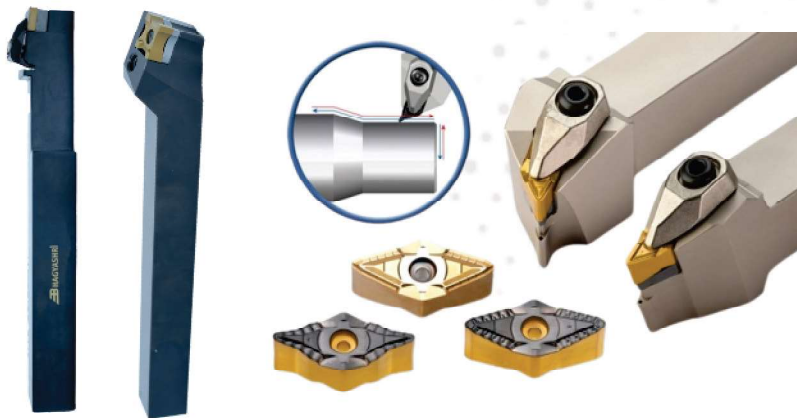

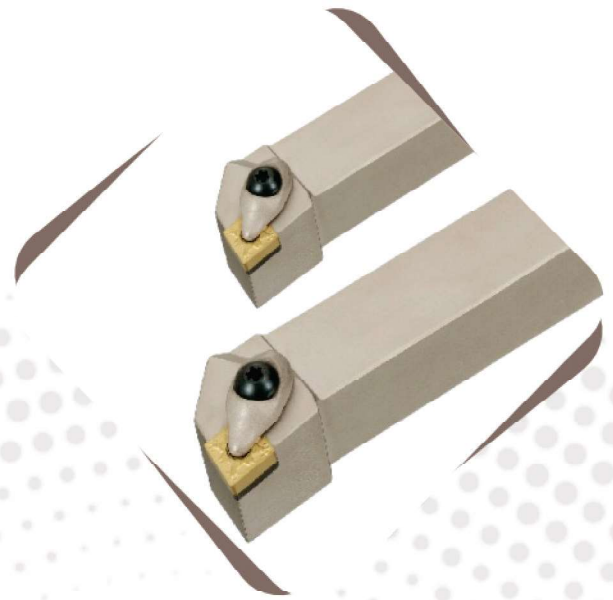

- ◆ Since our inception in 2008, Bhagyashri Engineering has been a trusted name in the field of indexable cutting tools.
- ◆ Founded with a vision to deliver excellence in machining technology, we have grown steadily over the years, becoming a recognized leader in the industry.
- ◆ At Bhagyashri Engineering, we pride ourselves on being a leading manufacturer of high-quality indexable cutting tools and adaptors.
- ◆ With a commitment to precision engineering, innovation, and customer satisfaction, we cater to the diverse needs of industries ranging from automotive, aerospace, defence, oil & gas, heavy engineering, valve industry to general machining and beyond.
- ◆ Bhagyashri Engineering aspires to transcend geographical boundaries and become a preminent player in the field of precision tooling solutions worldwide.
- ◆ At Bhagyashri Engineering, our mission is to empower manufacturers with cutting-edge tooling technologies that drive efficiency, productivity, and excellence in machining operations.

## PRODUCT'S

- ◆ Indexable Customized Cutting Tools
- ◆ Adaptors
- ◆ Turning Tools
- ◆ Milling Cutters
- ◆ U Drill's
- ◆ Grooving Tools
- ◆ Microbore Units
- ◆ Eccentric Boring Head
- ◆ Anti-vibration Boring Bars
- ◆ Cartridges Standard & Special
- ◆ Adjustable Boring Bars
- ◆ Back Boring Bars
- ◆ Trepanning Tools
- ◆ Threading Tools
- ◆ API Ring Groove Tools
- ◆ Goose Neck Tools
- ◆ Tapping Holders
- ◆ Slitting Cutters
- ◆ Profile Tools

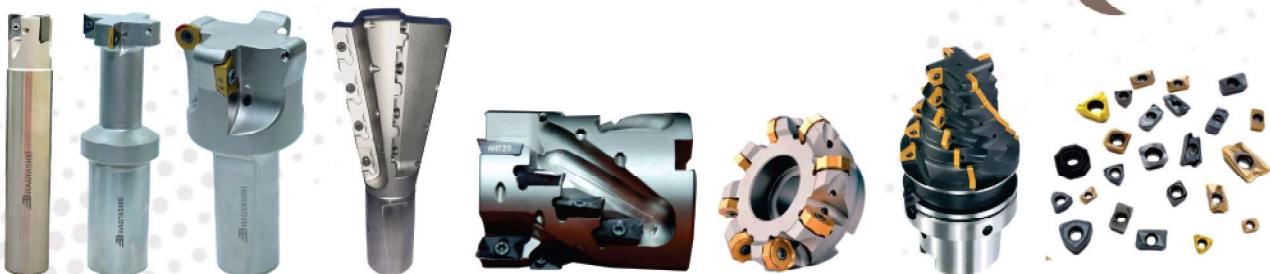

# TURNING TOOLS

- ◆ Screw Clamping System (S)
- ◆ Lever Clamping System (P)
- ◆ Top Clamping System (D&T)
- ◆ Wedge Clamping System (M&W)
- ◆ Threading Tools

# MILLING CUTTERS

- ◆ General Indexable Milling Cutters
- ◆ Indexable Face Milling Cutters
- ◆ Indexable Shoulder Milling Cutters
- ◆ Fine Adjusting Cutters For PCD Inserts

## U DRILLS

- ◆ Indexable U-Drills Range From  $\varnothing 12.5$
- ◆ Internal Through Coolant
- ◆ Manufacturing in Helical Flute For Smooth Chip Flow
- ◆ Indexable U-Drill Cum Chamfer
- ◆ Indexable U-Drill Cum Boring
- ◆ Indexable U-Drill Cum Counter

## GROOVING TOOLS

- ◆ OD Grooving
- ◆ Face Grooving
- ◆ L-Type Grooving
- ◆ ID Grooving
- ◆ Blade Type Grooving

# Indexable Customized Cutting Tools

- ◆ Special Integrated Boring Bars  
As Per Customers Requirement

## ADAPTORS

- ◆ CAT Shank (DIN 69871), CAT 30/40/45/50/60
- ◆ SK Adaptors & ISO Taper (DIN 2080) ISO 30/40/45/50/60
- ◆ HSK Shank (DIN 69893) HSK 32/40/50/63/80/100
- ◆ BT Adaptors BT 30/40/50
- ◆ MT Tapers MT 1 TO MT 6
- ◆ BMT Adaptors BMT-45/55
- ◆ SPM & BBT Adaptors

# MICROBORE & ECCENTRIC BORING HEAD

- ◆ Facilitates Precision Adjustment With Least Count Of 2 Micron (0.002MM).
- ◆ Pre-Loaded Assembly Guranteeing Almost Zero Backlash.
- ◆ Precision Adjustment In Micron's In Order To Acheive Closer Tolerance.
- ◆ No-Locking & Unlocking Of Any Other Screw.

📍 Gut No.: 67, Plot No.: 39, Behind Durovalves  
India Ltd, MIDC Waluj, Chhatrapati Sambhajanagar  
(Aurangabad) - 431136, Maharashtra, India
